Dear The Federal Communications Commission,

Congratulations on your FCC Chair appointment.

I urge you to support the "Fair Share Plan", submitted to the FCC by the Keep USF Fair Coalition on January 31, 2005 as a solution to current concerns with the Universal Service Fund (USF), ensuring that consumers like me do not pay the same rate into the USF as big businesses.

Thank you for your attention to this matter.

Good luck in your new position.

Very truly yours, Linda L. Werner
